

PITCH COMPETITION

Present your ideas on stage!

Date	October 08, 2025 – Pitch ceremony
Location	Bodenseeforum, Konstanz (Germany)
Chair	Prof. Dr. David Drissner, Albstadt-Sigmaringen University/ Board member BioLAGO e.V.

General guidelines

- All registered participants are admitted to the pitch competition (except speakers)
 - Ideas shall be forwarded using the idea card (template below)
 - Your contribution shall relate to one of the main topics of the conference:
 - AI-based diagnostics: hope or hype?
 - Antibiotic resistance – novel diagnostic approaches
 - Overdiagnosis – how to minimize?
 - Sustainable and cost-effective diagnostics – compatible at all?
-

Application procedure

- Idea card to be submitted via e-mail to info@biolago.org until Oct. 05, 23:59h or posted during conference. Submitted proposals will be placed on a white board on-site.

Voting process

- Oct. 07-08: All participants vote according to their preferences.
- Oct. 08 at 12.30h: On stage announcement of the voted Top 5 during conference session 4, Oct. 08 at 12.15h.

Pitch presentations

- Oct. 08 at 14.00h: The voted Top 5 will present their ideas in conference session 5. Scheduled are 5 min. pitch + 3 min. for individual discussion.
- Smile! Photo date for the Top 5 pitchers right after the session

We're looking forward to your ideas!
Your organizing BioLAGO team

Your idea card

(to be filled out in English)

Name and organization:

Briefly describe your idea - formulate a need and outline a solution:

Please mark the category, which fits best:

ageing	cancer	cardiovascular	infectious diseases	other
I'm looking for:	Feedback	Partners	Funding/Investor
