

DIAGNOSTICS-4-FUTURE CONFERENCE

October 21-22, 2026
Konstanz, Germany

Partnering & Exhibition Offer

Become part of the 8th Diagnostics-4-Future Conference – and secure your place at one of Europe's leading diagnostics conferences!

The Diagnostics-4-Future Conference is more than just an industry gathering. It is the international hotspot for decision-makers, innovators and top experts from diagnostics, medtech, life sciences and digital health. With **150–200 participants from across Europe and beyond**, the conference brings together people who are shaping the future of diagnostics – placing the diagnostic need at the centre.

This is where clinical and laboratory challenges in real-life care situations meet the latest technological developments. Clinics, laboratories, research institutions, start-ups and industry come together to discuss medical needs, trends, and innovative solutions – from research and development to patient application.

 **As a partner and exhibitor,**
you can present your organization where the future of diagnostics is being shaped.
 **Profit from a welcoming atmosphere with on-site support to help you to connect.**
